**2.1 Register of Interests:** Members were reminded of the need to keep their register of interests up to date.

**2.2 Declaration of Interests:** Members were reminded that they were required to declare and disclose any personal or prejudicial interests in items on the agenda. Councillors with a prejudicial interest were required to leave the room for the relevant agenda item.

Cllr. Stedman declared a prejudicial interest in Item 15, in Item 22.1, Payment No. 8723, and in Item 5.9 if discussed, as a contractor to the Council.

The Chairman apologised to the meeting for his loss of composure at the June meeting. To ensure this would not happen again he said he would be adhering strictly to the legal requirements for meetings and would not be allowing any interjections from the floor except during the Open Forum.

**3. Open Forum**

**3.1** The Chairman moved that the meeting be adjourned for Open Forum and this was agreed.

**3.2 Have your say:** No under 18s were present.

**3.3 Public Participation:** Mrs Dare said she was speaking on behalf of the Fete Committee and that no date had been set for next year's event in view of the need to consider this in conjunction with any event for the Queen's Jubilee celebrations. She invited the Parish Council to nominate a representative to sit on a Village Jubilee Committee. Mrs Karen Littleford asked why letters regarding the switching off of lights in School Avenue had not been sent to every house in the road. The Chairman said that the letters were only delivered to properties where a light was still on but would be switched off due to the need to remove the wooden poles.

**3.4 Ward Members' Reports** Cllr. Barnes reported that 153 gully covers had been stolen in the County and work was in progress to replace with more secure covers. The perpetrator had been caught on CCTV and had been arrested. He reported that decisions had still not been made about cuts to the library service but Bidford library was likely to continue on a self-help basis. He had no news on the future of the mobile libraries. Cllr. Barnes also reported on the on-going tipping at Long Marston where Ms Broomhead had observed some 40 lorries delivering soil to the site. He also reported on grants for minor drainage works and provided details to the Clerk. Finally, Cllr. Barnes reported on the liaison developing between Warwickshire and West Mercia police forces and described the potential benefits to residents of Salford Priors. Mr Gascoigne expressed concern about the loss of revenue due to the illegal tipping at Long Marston and Cllr. Barnes said that WCC and SDC were working together to achieve an early result on this issue. The Chairman asked Cllr. Barnes for help in getting the cones protecting the vandalised gullies replaced as a matter of urgency.

## Salford Priors Parish Council

Cllr. Howse, reiterated the efforts being made to resolve the tipping situation. He said he was keeping an eye on the issue of discretionary rate relief that would take effect in April 2013. Cllr. Howse said that another site had been identified for a new medical centre in Bidford near the village boundary on Salford Road. He also said he had met Mr Zahawi and discussed the delaying effects of the progress of the Localism Bill on the provision of more housing. Mrs Littleford asked Cllr. Howse if he was aware of the fact that the Parish Council was removing the wooden footway lighting poles and Cllr. Howse responded that he was fully aware of the Council's plans. Finally, the Chairman thanked Cllr. James for having provided a very detailed report for the benefit of Councillors.

**3.5** The Chairman closed the adjournment at 8.01 pm.

## **4. Minutes**

## **5. Clerk's Progress Report for consideration by Council**

A letter was sent to the owner of the Conifer tree on 21.06.11. The householder had now cut back the offending branches.

### **5.2 Evesham Road VAS.**

At last, the new sign on Evesham Road is operating satisfactorily. Richard Elbourne from WCC informed the Clerk that there was a technical fault with the sign. It is very disappointing this took so long to resolve. This item is now closed.

### **5.3 Councillor vacancy.**

The Clerk reported that the final date for candidates to send their nomination papers to SDC was 15<sup>th</sup>. July. He said that two candidates had come forward, Mrs Karen Littleford and Mr Lawrence Robinson. The election will be on 11<sup>th</sup>. August. Council considered that Poll Cards should not be provided on the basis of cost and the closeness to the main elections in May 2012. Alternatively, Council decided to send out a flier to all households indicating the date and place of the election and the possible need to take some form of ID when voting. The Clerk was asked to contact SDC to check the information necessary and also the date when the fliers should be distributed. Council asked that the fliers should be distributed on their own and not with other papers.

### **5.4 Street nameplate, Fern Close.**

The Clerk reported that Stratford DC had agreed to provide a sign at their cost. They had asked if the Council wished it to read "Fern Close Cottages" or "1 – 6 Fern Close Cottages". Council agreed the second option and asked that it should be located in the middle of the terrace.

### **5.5 Street nameplate, School Avenue**

The Clerk reported that quotations had been obtained for the supply and delivery of a finger post sign to be sited in the shrub bed by the entrance to the Playing Field. These were as follows:

Elementary Signs	£316.50
The Sign Maker	£235.31

## Salford Priors Parish Council

Archer Signs £203.00

These compared with £90.00 for two signs bolted beneath the existing street signs in School Road. Council approved the placing of an order with Archer signs stating “TOPs and Playing Field” to be installed by Mr Hackling.

**5.6 Drainage at Broom Lane**

The Clerk had inspected Broom Lane with Don Penn and had now written to Ragley with a plan showing the length of ditch to be cleaned out. A response was awaited. Council agreed that further consideration should be given to grant monies being sought if this work was not complete by September.

**5.7 SDC Consultation regarding future ownership of parcels of District Council land.**

Ward Members had been advised of the Parish Council’s response to SDC. Cllr. M Howse had followed this up with SDC and they have confirmed receipt of the request.

**5.8 Sewerage project on B4088**

The Clerk said that the consultants to Severn Trent had confirmed that all the on-site investigations had been completed and these had highlighted the environmental problems in the S101A Application area. The costing of private and public solutions to the problems was in progress to enable them to compare costs. A Geotechnical report is expected in the near future and this should confirm the ground conditions and the high water table assertions. Once this report is received they can complete the Report. They anticipate that Severn Trent Water will be contacting the Parish Council and residents with their response in late August or early September. This information has also been circulated to local residents.

**5.9 Hedge by Limebridge Bank**

The Clerk said he had visited the site with Don Penn and confirmed the areas concerned with the Chairman. Letters requesting the trimming of overhanging branches and hedges had been written accordingly.

**5.10 SpeedAware tests in School Road.**

The Clerk said that the tests in School Road will be carried out starting on the 21<sup>st</sup>. September and finishing on the 5<sup>th</sup>. October. Rush hours will be covered and a full report will be submitted to the Council.

**5.11 Wooden benches.**

The Clerk reported that the bench at Ban Brook Road had been completed and a good job had been done. He said he had written to GTL emphasising the time taken and asking for a completion timetable. Council did not agree that the work was satisfactory in all respects and required the seat to be repainted in the areas that were missed. Cllr. Wright proposed that the restoration job had taken too long and that the contract should be terminated if it was not complete in four weeks; his proposal was agreed by the Council and the Clerk was asked to inform GTL accordingly.

**5.12 Transfer of Minute Books to Warwickshire archive.**

The Clerk said that a 4 ring folder had been obtained for the current year. The Chairman had offered to take the completed binders to the Warwickshire Archive.

**5.13 Bus Shelter**

## Salford Priors Parish Council

The Clerk informed the Council that the bus shelter would be installed on 25<sup>th</sup>. July. He had taken Mrs Torre to see the site and she was content with the proposals. Mr Hackling would be clearing the site before the installation.

### **9.2 Disconnection of supplies.**

The Clerk reported that he had spoken to Western Power Distribution and the work to disconnect the supplies was planned to commence on Tuesday 30<sup>th</sup>. August. Letters explaining the disconnection where lights were still on had been circulated to all nearby residents. Following the comments made at the Open Forum Council agreed to deliver letters to the 8 houses in School Avenue not included in the original delivery. Council also agreed to arrange for informative notices to be attached to the poles that would be removed.

### **9.3 Consideration of a report from the Clerk relating to specific lights.**

The Clerk had circulated a report covering specific lights as agreed at the previous meeting. He reported that in respect of wooden pole light at the Post Office he had written to Stagecoach asking them to relocate the bus stop and the timetable to the bus shelter. Stagecoach had completed this work.

For the light at the junction of School Road and Sandfields Farm Drive the Clerk said he had sought advice from Kevin Fennell, Senior Street Lighting Engineer at Warwickshire CC, regarding suppliers of solar lights. He was informed that WCC had no experience of these lights. He suggested Council might wish to consider the possibility of relocating one of the lights from the Playing Field which would be a very cost effective solution. The first light on the path to the Scout Hut would be the most suitable as there was already a light in the corner of the car park. Council agreed to defer consideration to the F&GP Group meeting.

The Clerk said he had sought quotations for a structural inspection of all the concrete columns in the Ban Brook Estate from Steven Holloway at Bidford, Richard Clarke at Stratford, Robert Smith at Great Alne, Latter Ramsay Consultants at Stratford upon Avon, and O'Brien & Price, at Cheltenham. Robert Smith felt he did not have the relevant experience, Latter Ramsay and O'Brien & Price had not yet responded, and Steven Holloway and Richard Clarke were on holiday. The Clerk said he would progress this further and report at the F&GP Group meeting.

Council had previously agreed that the two Victorian lights at the junction of School Road and Evesham Road should be fitted with part night timers. A quotation from PD Long of £110.00 had been received and this was agreed by Council.

Council had previously agreed that the light by the School should be fitted with a part night timer. Council considered that the actual light was in poor condition and the Clerk suggested that the new

The Clerk was asked to arrange for Mr Hackling to repair the goal posts at the Scout Hut end of the field and to rub down and paint them. The other set of posts should also be painted and then taken down to allow the grass to recover. Council agreed that Don Penn should be asked to remove the two dead trees in the picnic area. Cllr. Quiney was asked to sort out replacement screws for the see saw with help from Cllr. Penn.

**12. Highways****12.1 Stolen drain covers**

The Clerk reported that a large number of cast iron gully covers had been stolen from roads in the parish. WCC had responded very quickly to place cones on the open gullies and had ordered hinged tops that would be harder to steal. It had also been reported that a person had been arrested in connection with the thefts. The Clerk was asked to monitor the replacement programme and to refer instances where cones were displaced back to WCC.

**12.2 Hedge Cutting**

The Chairman reported hedges that needed to be cut back as they were obstructing the footway between the School and Ban Brook Road; by the new bus stop at Hedges Close; and between Tothall Lane and Iron Cross. The Clerk was asked to write accordingly.

- The Clerk to obtain two more dog fouling £1000 penalty signs from SDC.
- A further water tank would be installed at the Scout Hut end of the site.

Council also decided:

- Not to try and collect a bulk load of stones as insufficient were ready for collection.
